# About the Line

Beverly McCullough  
@flamingotoes

I've always loved music from the 40s and 50s, and one of my favorite songs is "Stardust." I designed this collection to have a mid-century feel, with the florals, glam glasses, and of course, flamingos, all decorated with pretty retro gold glitter. I hope you have a blast sewing with this collection and maybe put on some retro music for me as you sew!
