About the Line

Stellar is an enchanting, celestial inspired fabric collection that captures the quiet magic of the sky as the day ends and night begins to glow. Scattered stars, gentle moons, and cosmic motifs shine across a palette pulled from sunset and sunrise: inky blues, deep purples, warm corals, and glowing yellows. Perfect for quilts, garments, and small projects, this collection invites you to mix light and dark, warm and cool, and create pieces that feel both grounded and a little bit magical.
