SUMMER LAKES COLLECTION

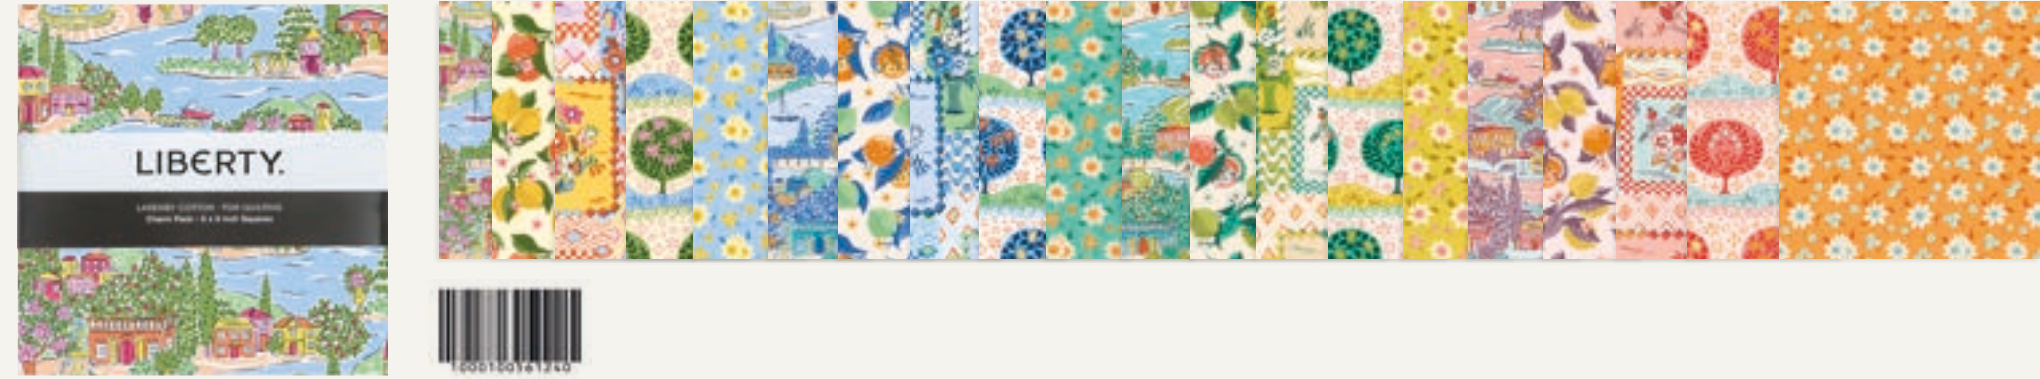

Dramatic alpine scenery, ochre-hued villas, and breath-taking, deep blue vistas set the scene for the Summer Lakes collection. Inspired by the scenic backdrop of Liberty's Italian printing mill, enjoy the easy elegance and the art of slow living in Italy's lakeside oasis. Escape the bustling waterside and narrow shop-filled lanes in favour of wandering promenades, exploring garden follies, and enjoying an aperitivo in the European sun.

The collection is traditionally screen printed onto Lasenby cotton, a base specifically developed for quilting and craft projects.
