About the Brand

Thomas the tank engine first came to life through stories told by a father to his son. With a little imagination, the railroad noises outside their window became the chatter of engine friends and exciting adventures on an island called Sodor. Over 75 years later, those stories continue to captivate audiences around the world through TV, books, toys, podcasts, music, live events, and more. In Thomas, children can find an aspirational and relatable friend to be by their side through all the ups, downs, twists, and turns of childhood.

The projects portrayed are virtual images. The look of the projects may differ with actual fabric.

The project virtual(s) shown may be different than the image shown on the pattern cover.

Approximate fabric requirements are listed to aid in estimating the amount of yardage to order and are subject to change.

Backing yardage is shown using the best use of fabric and may not be intended for directional fabric.
