About the Line

Since early childhood, I've had a passion for creating art in every form I could explore. Drawing, painting, sewing, and decorating have always been my creative outlets. I'm always finding a new project to fill my time with! I grew up learning the art of quilting and designing from my mom Lori Holt, who inspired me to bring my ideas to life. At just eight years old, I started my first job embroidering for her, which deepened my love for sewing. Now that I have a home and family of my own, I'm driven to design beautiful, inspiring prints that bring spaces to life.

Threads of Grace, my debut collection, is inspired by my deep love for all things floral. The modern color palette, paired with vintage inspired prints, makes it the perfect choice for quilting, home decor, or any project you can imagine.
