About the Line

Jill Howarth
@zippyboro

“He’s coming down the chimney, down...”
– Andy Williams

Join the jolly old elf on his Christmas Eve adventure in Jill Howarth’s designer fabric collection, *Twas*. The main print finds our gift giver juggling, climbing down the chimney, and having a jolly good time. The merry palette of pink, red, frost, green, and charcoal beautifully enhances the coordinating prints of stockings, mice, sugarplum stripes, and new fallen snow. And you don’t want to miss the two charming project panels.
