## About the Line

To me, quilting and gardening go hand-in-hand, both offer creative outlets for design, choice of colors, textures, and varieties. Both inspire joy in creations that reflect personality and style. Both involve planning and problem-solving, which foster new skills and techniques that I have come to love and enjoy on a daily basis.

I have spent many hours quilting and gardening with my amazing mother, Vera. Little did I know that what she passed on to me would be a foundation for this beautiful line of fabric celebrating some of her favorite things!
