# About the Line

From hillsides and arboretums to the captivating flora and wildlife that can be found within, there is so much to be discovered on *Woodland Walk*. Honouring the Great British countryside and diversity of natural beauty spots, Liberty Fabrics designers drew inspiration from every aspect of our woodland landscapes. The collection takes us on an enchanting stroll through the very best of what nature offers, from delicate meadows to the sweet chorus of birdsong found in blooming hedgerows and the crisp rustling leaves that can be found underfoot.

The collection is traditionally screen printed onto Lasenby cotton, a base specifically developed for quilting and craft projects.
