About the Line

I love the great outdoors! One of my husband's favorite things to do is to take me on wonderful adventures up in the mountains of central Utah. The beautiful scenery and the fresh mountain air filled with the scent of pine trees is something that truly makes me happy.

Each fall, the whole family bundles up to make our traditional trek up the mountain to cut a fresh Christmas tree. The **Woodsman** collection was inspired by these mountainous adventures as it includes a fun array of outdoor motifs including bears, raccoons, mountains, and pine trees.

I'm hoping that you enjoy making projects with **Woodsman** and that it reminds you of a cozy trip up into the mountains for some fresh air.
