About the Collection

The *York Fern* collection from Liberty Fabrics presents a dense foliage pattern which flows rhythmically across fabric. A simplified yet striking print, coloured in refined hues and tones that have been inspired by the world of paint and interiors.

The result is an elegant and subtle tone-on-tone design, available in a sophisticated palette that’s guaranteed to add an understated beauty to your crafting projects.

Designed as a blender fabric, *York Fern* sits alongside our vast archive of Liberty prints. Traditionally screen printed onto Lasenby cotton, a soft base developed by Liberty Fabrics, specifically for quilting and craft projects.
