About the Line

Katherine Lenius  
@katherinelenius

Imagine walking into the forest on a crisp winter day and gathering everything you need to bring the magic of Christmas into your home. Evergreens and berry sprigs line the mantle, with pinecones and cute mushrooms tucked in, while everything smells of pine, cinnamon, and orange. This is the inspiration behind *Yuletide Forest* and I hope this classic collection will bring a calm feeling and a natural touch to your holidays. Traditional florals, sprinklings of natural elements, along with fun plaids and stripes, will add some cheer to your holiday. My own holiday celebrations can sometimes be too frenzied, but I always like looking to nature to celebrate the joys of the season.
