

# Color Wheel Block

See video for tutorial of this block [http://www.riley-blakedesigns.com/how-to-videos\\_block-of-the-month/](http://www.riley-blakedesigns.com/how-to-videos_block-of-the-month/)

**Unfinished Block Size:** 12 ½" x 12 ½"

Use ¼" seam allowance unless stated otherwise.

## FABRIC REQUIREMENTS

Cut 1 square 13" x 13" from the white solid

C100-01 clean white

Trace 1 circle template onto the wrong side of small yellow gingham

C440-50 yellow. Trim around traced circle

leaving a ½" seam allowance. Cut a piece of interfacing the same size as the circle.

Cut 1 petal template from the following prints:

C440-50 yellow, C440-30 green, C440-120 lavender,

C440-20 aqua, C440-60 orange, C340-50 yellow,

C400-31 green, C400-31 gray, C350-50 yellow,

C350-60 orange, C350-120 lavender, C350-30 green,

C350-20 aqua, C420-70 hot pink, C420-60 orange,

C360-70 hot pink, C470-120 lavender, C100-85 hot pink,

C100-13 gray, C100-30 aqua

## ASSEMBLY REQUIREMENTS

1. Sew the top short edge of the petal template. Sew the 20 petal templates. Turn right side out to create a point at the top of your petal template. Press.
2. With right sides together sew two petals together. Continue sewing petals until the color wheel is finished. See diagram for color placement of petal templates. Note: I like to sew the petals in color sections and then sew the color sections together.
3. With right sides together sew the circle template and interfacing together on the traced line. Trim close to edge leaving 1/8" or use pinking shears. Clip interfacing only. Turn right side out through hole. Press.
4. Find the center of the white square by folding in fourths and pressing. Center the color wheel onto the white 13" square. Center the yellow circle over the center hole.
5. Glue in place.
6. Use your favorite method of appliqué.
7. Trim block to 12 ½" x 12 ½" unfinished. Press.
